

Leadership Program

The Pioneer

Awesome Journey Inc. offers transformative learning, that promises to impact leadership for individuals and teams that can alter an organization's direction. Our approach expands awareness, deepens trust, and distinguishes a meaningful purpose that offers direction to reimagine your leadership.

Are You Ready?

Pioneer is defined as **"among the first to explore or settle new territory."**

This volatile time of unpredictable change and uncertainty demands a new mindset.

This program is intended for any leader wishing to unleash their **"inner pioneer"**.

Discover and explore new territory for being human, empower others, and to venture out of your comfort zone and experience your true leadership potential.

Awesome Journey's method and practices support each participant in unleashing their pioneer mindset from within through transformational learning, skill development, and sustainable practices to establish direction.

Opportunity

The Pioneer program specifically focuses on distinguishing **direction, trust and impact.**

Awesome Journey offers this program over 24 hours. Our methods and practices will penetrate the limiting perspectives that trap us in unsatisfactory actions and results.

Participants will leave this course with a new awareness of themselves and with a new relationship to action.

Program

This program will:

- 1. Increase Awareness** of yourself and being, and your impact on others.
- 2. Establish Integrity** for honoring your word and building trust.
- 3. Generate Action** to achieve results with others in the face of uncertainty.

This program is designed with exercises for completion within one-week prior to the program. The intention of these exercises is to explore the introspection necessary for transformational learning and awareness. During the program, at the end of each day, Awesome Journey will coach you through exercises, experiences, and practices to explore your "inner pioneer".

Benefits

- Awareness of constraints to action
- Communication to generate action
- Build trust by holding yourself and others accountable
- Integrity as a way to increase performance
- Expanding possibility to generate future
