

Powerful Leaders Program

Unlock your Full Leadership Potential

- Learn to uncover hidden limitations and blind spots
- Develop resilience and confidence for larger commitments
- Prioritize and initiate action on what matters
- Empower others to lead and hold self and others accountable

Expanding Your Capacity to Lead and Create Results Through Others

Awesome Journey offers a year long Powerful Leaders Program designed to work with groups of up to twenty individuals who are serious about expanding their leadership capacity during these times of uncertainty.

Using our unique inside-out learning approach, we will focus on the nature and function of being human, by **developing three core mindsets** over twelve months:

- Reflective Self: To become intentional in commitments.
- Expressive Self: To cultivate trust and presence.
- Collaborative Self: To expand creative action and possibility.

Each month includes an area of focus that will question assumption, develop awareness, generate action, and create practices to sustain new habits.

Awesome Journey Promises to:

- Increase your focus
- Support your accountability
- Provide access to leadership mindsets and competencies
- Expand your self-awareness
- Become your learning partner and quality sounding board
